

KR Jones

UX Designer

kr@organicthug.com | Brooklyn, NY | (443) 850-9397 | <https://www.linkedin.com/in/kr-jones-71085188/>

PROFESSIONAL SUMMARY

A foundational background in Health Sciences and Visual Production. Specialist in integrating behavioral health principles with intuitive digital design to create high-impact, well-being-focused interfaces. Proven expertise in narrative structure from podcasting and technical precision from large-scale production.

EXPERIENCE

UX Design Apprentice | Google Cloud Business Platform Insights & Experience

Feb 2025 – Aug 2026

Google | New York, NY

- Synthesized qualitative interviews and quantitative survey data from enterprise users to map friction points, directly shaping the UX vision for multi-system web navigation.
- Designed interactive low- to high-fidelity prototypes in Figma, bridging technical constraints with human-centered flows to deliver high-converting Chrome Web Store applications.
- Owned end-to-end lifecycle delivery for the Google Cloud Connect App Launcher, collaborating with Sales Ops to ship on Chrome Web Store and reach 10% of GCBP internal users.

Shop Assistant, Production Lead | Overall Murals

Mar 2022 – June 2023

Hand Painted Outdoor Advertising Company | Brooklyn, NY

- Managed end-to-end supply chain logistics and inventory tracking software to orchestrate field operations across 350+ large-scale mural installations annually
- Built and scaled inventory tracking systems, in addition to solution based in-house physical creations to streamline field logistics, minimizing supply friction for rapid-turnaround commercial productions.

Retail Sales Manager | Tonal

Nov 2021 – Jan 2022

Smart Home Gym Equipment & Programs | New York, NY

- Delivered live interactive hardware/software demos, translating complex algorithmic strength data and UI flows into intuitive, user-friendly concepts

Studio Manager, Diversity, Equity & Inclusion Lead | Y7 Studio

Apr 2017 – Mar 2020

Music Driven, Candlelit, Yoga Studio | Brooklyn, NY

- Directed end-to-end operations, logistics, and staffing across numerous high-volume facilities, optimizing daily throughput and member experiences.
- Co-created quarterly operational roadmaps with executive leadership while launching the "Freedom to Flow" initiative to expand accessible community wellness programs.

Personal Trainer (Tier 1-3) | Equinox

Dec 2013 – Dec 2017

Luxury Fitness Company & Health Club | Brooklyn, NY

- Promoted from Tier 1 to Tier 3 within elite training tiers by maintaining a 95+ monthly session volume through high client retention and referral loops.
